bridgeMLS Selects dynaConnections' Highly Acclaimed connectMLS

BERKELEY, CALIFORNIA (September 12, 2018) – bridgeMLS announced today that it has selected dynaConnections' responsive MLS solution, connectMLS, to offer its subscribers. With a suite of mobile-friendly features including search, reports, contact management, and an embedded TMS, connectMLS will provide bridgeMLS subscribers greater flexibility as well as the ability to customize their MLS environment.

dynaConnections specializes in MLS technology and has consistently earned the highest ratings in industry studies. Its flagship product, connectMLS, maintains full functionality on any device, and its interface automatically adjusts based upon screen dimensions to provide an optimal user experience. The robust yet intuitive solution will be a valuable asset to bridgeMLS' increasingly mobile subscribers.

"We are very dedicated to finding the best tools and resources for our members and found the dynaConnections team to be responsive to our needs," said Gustavo Rodriguez, Chief Operating Officer of bridgeMLS. "With connectMLS' wide range of features, personalization options, and intuitive design, we're confident that it will be an exciting addition."

"It is our mission and goal for bridgeMLS to provide leading technology solutions to our participants/subscribers," said DaVina Lara, Chief Executive Officer of bridgeMLS. "dynaConnections takes us to the next level of service and technology. It's a true system of choice that enhances the MLS experience."

"We are looking forward to a strong, cooperative partnership with bridgeMLS and its subscribers," said Tim Ford, Chief Executive Officer of dynaConnections. "We've been impressed with their leadership team and are eager to provide a custom solution that meets their members' diverse needs."
