

The 2nd Annual

RETECH SOUTH

REGISTER TODAY

REtechSouth, presented by Better Homes and Gardens Real Estate, is a place where agents, brokers, lenders, builders and other real estate industry practitioners join to collaborate on how technology can improve your business.

The keynote presentation will be given by Dave Jenks, a leader in the industry and co-author of four best selling books, including "The Millionaire Real Estate Agent." Jenks has spent close to 30 years in real estate with Century 21 and Keller Williams Realty.
