REMINE PLATFORM NOW INCLUDES PROPERTY DATA
ON 100 PERCENT OF U.S. HOUSING STOCK
*Remine's Real Estate Data and AI solutions for real estate markets includes
property data from industry leader First American*

Irvine, CA — (November 10th, 2017) — Remine, a real estate intelligence platform for Agents**,** now includes detailed property information on 100 percent of the U.S. housing stock from **First American Financial Corporation,** a leading provider of title insurance, settlement services and risk solutions for real estate transactions. The Remine platform analyzes property records, transactional history, homeownership data and delivers actionable insights on an intuitive user interface.

"Our MLS clients want deeper data integrations, including autopopulation of property information, our machine learning and artificial intelligence solutions. The demand for this service exceeded our expectations; 2018 is going to be a transformative year," **said Jonathan Spinetto, COO of Remine.**

"We're pleased to provide our industry-leading property data to the MLS industry and realtors through our work with Remine, a true innovator in the MLS market," said **George Livermore, executive vice president of First American's Data and Mortgage Solutions division**. "The integration of our data with Remine's best-in-class platform reflects our commitment to provide innovative businesses in the real estate industry with the data needed to achieve their goals."

About Remine
Remine is a real estate intelligence platform for Agents that is delivered exclusively through the MLS. The platform analyzes property records, transactional history, consumer data and delivers actionable insights on an intuitive user interface. Many of the nation's largest MLSs representing more than 500,000 Realtors have signed up for Remine. Visit Remine.com or call 855-217-0171.

About First American
First American Financial Corporation (NYSE: FAF) is a leading provider of title insurance, settlement services and risk solutions for real estate transactions that traces its heritage back to 1889. First American also provides title plant management services; title and other real property records and images; valuation products and services; home warranty products; property and casualty insurance; and banking, trust and investment advisory services. With revenues of $5.2 billion in 2015, the company offers its products and services directly and through its
